**DOCKET NO.

**ORDER APPROVING
INTERCONNECTION AND TRAFFIC INTERCHANGE AGREEMENT FOR
CELLULAR AND OTHER TWO-WAY COMMERCIAL MOBILE RADIO SERVICES**

This matter came before Chairman Pat Miller, Director Deborah Taylor Tate and Director Sara Kyle of the Tennessee Regulatory Authority (the "Authority" or "TRA"), the voting panel assigned to this docket, at a regularly scheduled Authority Conference held on January 10, 2005, to consider, pursuant to 47 U.S.C. § 252, the Petition for approval of an interconnection and traffic interchange agreement for cellular and other two-way commercial mobile radio services negotiated between Citizens Telecommunications Company of the Volunteer State, LLC d/b/a Frontier Communications of the Volunteer State, LLC and United States Cellular Corporation, filed on December 2, 2004.

Based upon a review of the agreement, the record in this matter, and the standards for review set forth in 47 U.S.C. § 252, the Directors unanimously granted the Petition and made the following findings and conclusions:

1) The Authority has jurisdiction over public utilities pursuant to Tenn. Code Ann. § 65-4-104 (2004).

2) The agreement is in the public interest as it provides consumers with alternative sources of telecommunications services within the service area of Citizens Telecommunications Company of the Volunteer State, LLC d/b/a Frontier Communications of the Volunteer State, LLC.

3) The agreement is not discriminatory to telecommunications service providers that are not parties thereto.

4) 47 U.S.C. § 252(e)(2)(A) provides that a state commission may reject a negotiated agreement only if it “discriminates against a telecommunications carrier not a party to the agreement” or if the implementation of the agreement “is not consistent with the public interest, convenience or necessity.” Unlike arbitrated agreements, a state commission may not reject a negotiated agreement on the grounds that the agreement fails to meet the requirements of 47 U.S.C. §§ 251 or 252(d).¹ Thus, although the Authority finds that neither ground for rejection of a negotiated agreement exists, this finding should not be construed to mean that the agreement is consistent with §§ 251 or 252(d) or, for that matter, previous Authority decisions.

5) No person or entity has sought to intervene in this docket.

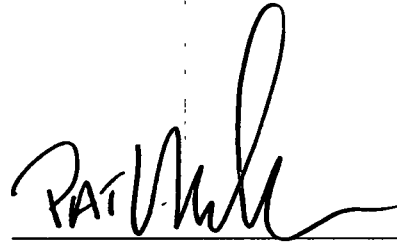

6) The agreement is reviewable by the Authority pursuant to 47 U.S.C. § 252 and Tenn. Code Ann. § 65-4-104 (2004).

IT IS THEREFORE ORDERED THAT:

The Petition is granted, and the interconnection and traffic interchange agreement for cellular and other two-way commercial mobile radio services negotiated between Citizens
